

CAPTIVE WILDLIFE ONLINE APPLICATION INSTRUCTIONS:

To create a customer account, please follow these steps below:

1. Navigate to the Go Outdoors Florida (GOF) license login page via <http://www.gooutdoorsflorida.com> and click "Captive Wildlife Permits" to access the Captive Wildlife site.
2. Create a new customer account OR log in to your existing account if you have used the GOF system previously.
3. Once logged in, click "Apply for a Permit" to access applications.
4. Under the "Available Applications" section, add the appropriate application to your shopping cart by clicking "Apply For Permit". Click your shopping cart to checkout with the application.
5. Upon checkout, you will be prompted to complete the application. Complete the application and submit.
6. You will receive an email confirmation from the system verifying that your application has been received by the FWC Captive Wildlife Office for processing.

To claim your permit, please follow these steps below:

1. Navigate to <http://www.gooutdoorsflorida.com>.
2. Click "Captive Wildlife Permits" to access the login page.
3. Log in to your existing GOF account.
4. Click "Manage My Applications" to view your application page.
5. You will see your permit to claim under the "Available Permits" section.
6. Click "Claim Permit" to add the permit to your cart.
7. Click the blue cart icon in the top right and click "Checkout".
8. Complete the checkout process to claim your permit.
9. You will be able to print a copy of your permit from your profile home page after you complete the checkout process.
